Dear Friends

It is me Shirat writing to you again. How are you doing?

I am happy for the help you are sending to me.

I got books and school fees. Thank you so much.

My father is fasting, mother is not, because she is not a muslim. We are going to eat rice and chicken on Eid day. We shall also eat the same food on Easter.

I wish you a happy Easter with your families.

Your best friend

Shirat Nassunga
